

# Chase Bryson

A Freshman at the College of Engineering at UofSC

chase.a.bryson@gmail.com

## EXPERIENCE

Sales Associate

Dollar General

February 2021 - May 2021 - (DeKalb Street, Camden, SC

- Managed and maintained the storage conditions of the floor and warehouse

## MY LIFE PHILOSOPHY

*"Follow what you're passionate about. There are always ways to improve and more to learn.."*

## MOST PROUD OF

Entry to UofSC Engineering College

I am proud to complete this childhood goal of mine in a field that I enjoy.

Building a Laser Cutter

Building my own laser cutter helped Reinforce many fundamental ideas of Computer Science that I found valuable.

## EDUCATION

Freshman at

University Of South Carolina

## PROJECTS

Laser Cutter

Self created/Self study

- Making a laser cutter from scratch.
- Learning the Ins and Outs of Computer

Science through practice.

Vinyl Cutting

Personal passion project

- Creating custom stickers and decals

## A DAY OF MY LIFE

Studying and Classes: 10

Personal engineering projects: 4

Time with family: 4

Relaxation: 6

Traveling

↑ Coding for leisure

## STRENGTHS

Hard-working, Total project view

And Quick to grasp concepts.

Experience with C# and Java.

Statistical Analysis
